No purchase necessary. Must be at least 18 years old to enter. By entering to win and providing your email address, you agree to receive marketing email updates and promotions from Beaming Books and Fortress Press. Book Fair hosts are responsible for sending email entries to Beaming Books and Fortress Press. One winner will be randomly selected from all submissions every month. After one year, your submissions will no longer be in the pool. Odds of winning depend on the number of entries received. Winners will be announced via email the first week of each month. The winner's host will also receive \$100.
